1980

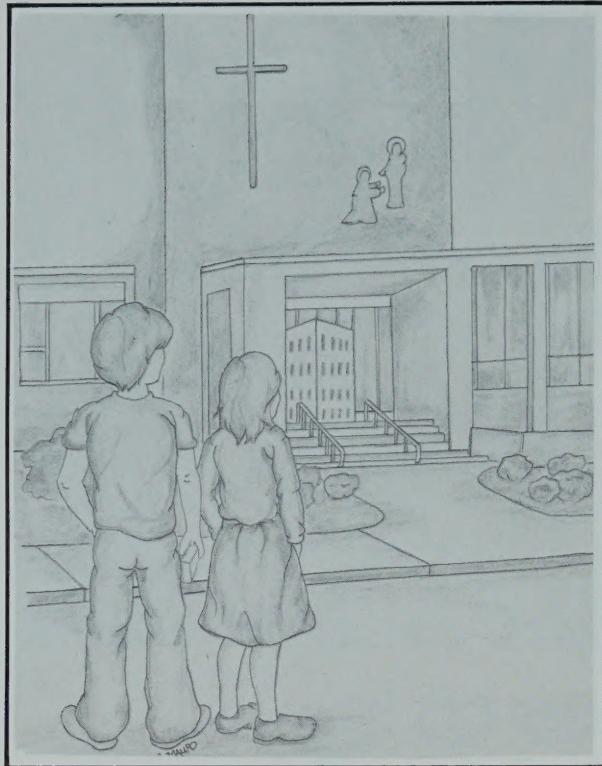

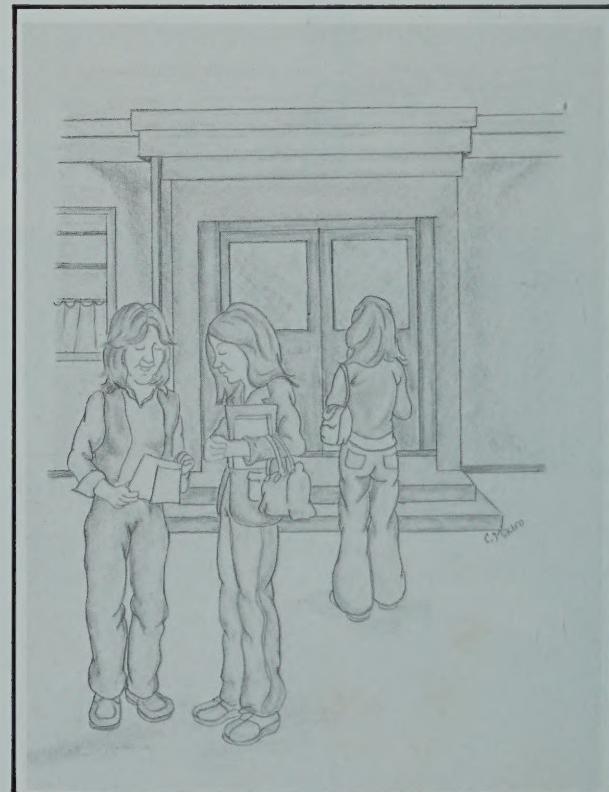

**Dominican College**  
**Aubade**  
**1980**

During the past four years, we have experienced many new beginnings, as individuals and as the class of 1980 — career beginnings, life style beginnings, personal beginnings, but most important and rewarding . . . friendship beginnings. Friendships which started *Yesterday*, are still growing *Today*, and will make it worth looking forward to *Tomorrow*.

*As we, the 25th graduating class of Dominican College, depart, let us reflect on the many lives we have touched. Let us always look back at Dominican with many fond memories of happy Yesterdays; look presently at our high ambitions for our Todays at the start of this new decade; and look ahead to the attainment of many goals in our Tomorrows.*

*Sr. Mary Eileen O'Brien*

Retreat at Ventnor

College Math 13

The Aubade staff, on behalf of the Dominican College community, dedicates this book to Sr. Mary Eileen O'Brien. Sr. Mary Eileen has been active in all aspects of the college, since she joined the staff. The Class of 1980 is especially close to her, since she was our Sophomore class advisor. Sr. Mary Eileen has been our teacher, has joined us on retreats, has attended our mixers and other functions, and most especially has been our friend. We are proud to welcome Sr. Mary Eileen as our new President and we wish her the best of luck in this and in all her endeavors.

## *Mr. and Mrs. Philip O'Brien and Sr. Mary Eileen*

Before coming to Dominican College, Sr. Mary Eileen shared her abilities at several other schools. She taught Junior High school mathematics at St. Benedict's School. Then she taught math at St. Pius V. High School. After this she was the Principal of St. Luke's Elementary School. She first worked at Dominican as the Assistant to President Sr. Natalie Casey. Though she became acting President of the College within a few short months of her arrival here, she approached the job with great spirit and carried us through a difficult period.

On October 21, 1979, Sr. Mary Eileen O'Brien was installed as President of Dominican College. The day began with a mass in the Convent Chapel. This was followed by the installation ceremony. The day ended with a reception in Sr. Mary Eileen's honor. This was just one short day taken out of the rush of Dominican's everyday activities, but it gave the Dominican College community a chance to show Sr. Mary Eileen that we are proud of her and we stand behind her.

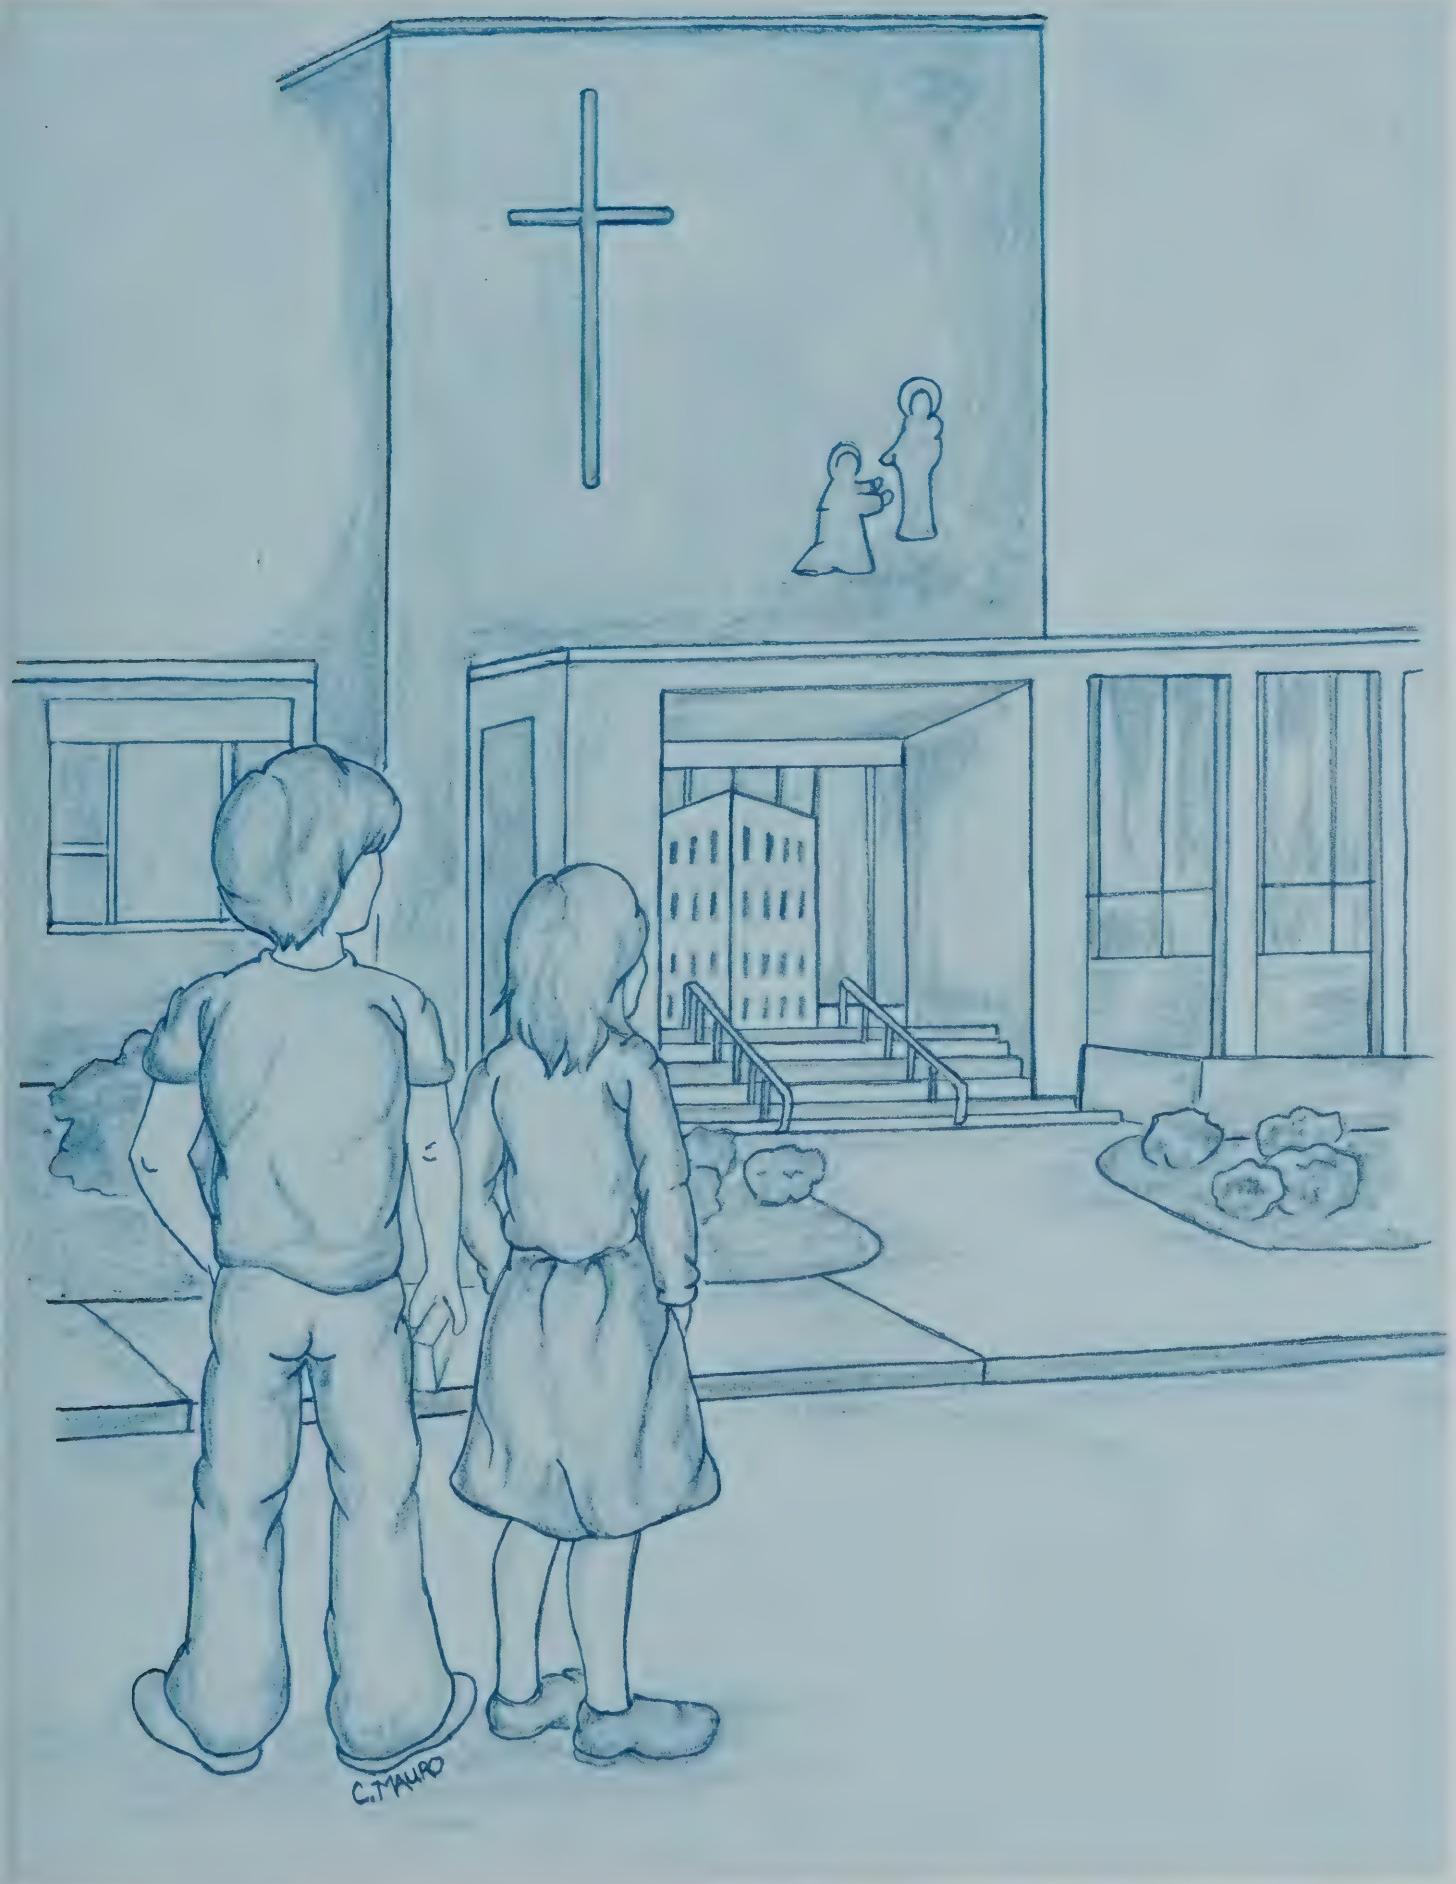

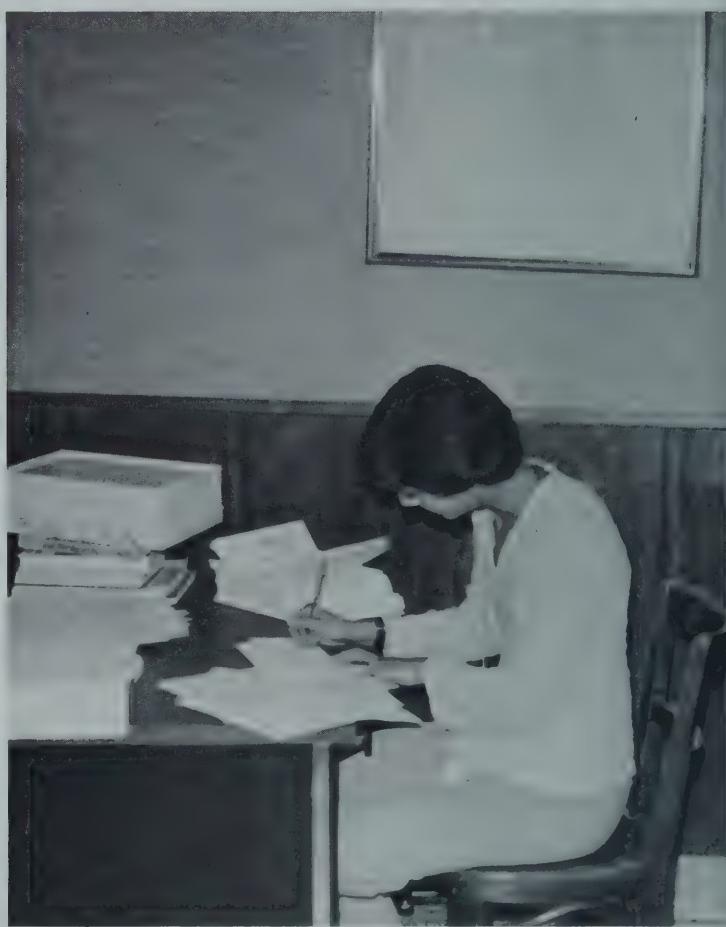

## *Yesterdays*

*There are places I'll remember all my life  
Though some have changed:  
Some forever not for better.  
Some have gone and some remain.  
All these places have their moments,  
With lovers and friends, I still can recall.*

*Some are dead and some are living;  
In my life I've loved them all.  
But of all these friends and lovers,  
There is no one compares with you.*

*And these memories lose their meaning  
When I think of love as something new.  
Though I know I'll never lose affection  
For people and things that came before;  
I know I'll often think about them,  
In my life I'll love you more.*

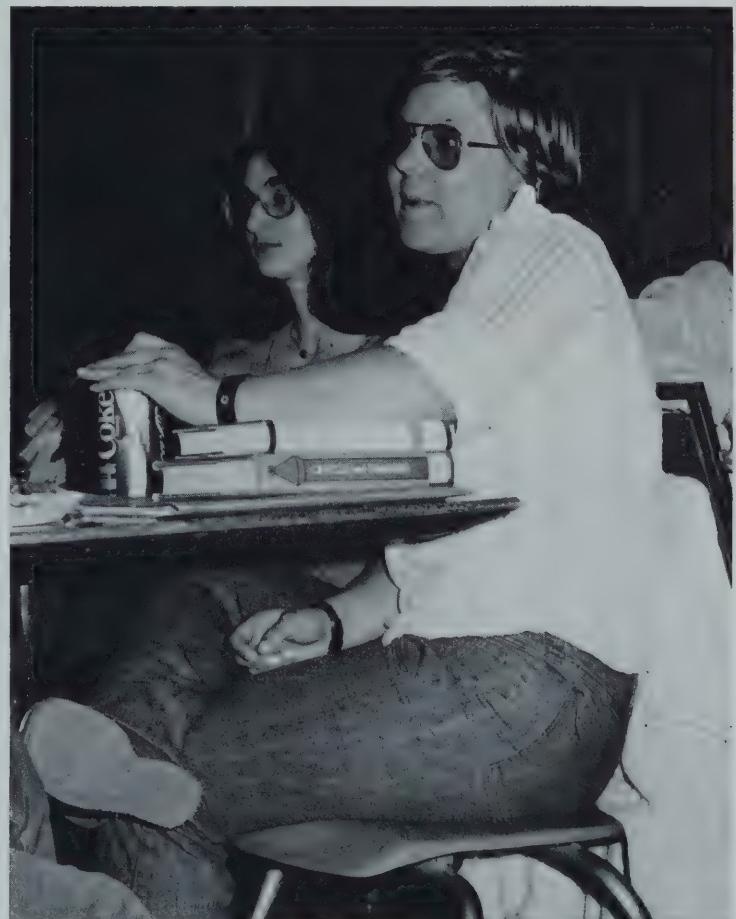

*Do You  
Remember?*

# *Car Wash*

Amid the water, soap, and giggles the Association for the Education of the Visually Handicapped actually washed about 70 cars. This effort was a fund raiser for the club and the money went toward some of the trips the members took. About 15 students went to Virginia in the Spring to the National Conference.

## *Road Rally*

At \$1 a person about 80 Dominican College students lined up their cars to participate in an unusual event better known as a "Road Rally".

Following such directions as "General George Washington lived at the corner of Christine in \_\_\_\_\_," you could become a winner of a cash prize of \$25 if you answered all 43 of the questions correctly, had the shortest clocked mileage, and the shortest time or the best combination of the above.

Anywhere from 35 minutes until 3 hours later, students continued to arrive at the unknown destination which, this time, was Tallman State Park. Awaiting all participants at the end of the Rally was a hot dog barbecue and soda.

Needless to say, a good time was had by all, especially by Mary Dillon, who won the 1st prize.

## *Open House*

Director of Admissions addresses new students.

Academic Dean speaks of the college.

Each year the Admissions Office sponsors an Open House for prospective students and parents to Dominican College. On this informational afternoon the Director of Admissions, Jack Brennan, along with other administrators and faculty welcome the students and invite questions concerning the college and its programs.

Midpoint — World Hunger Club

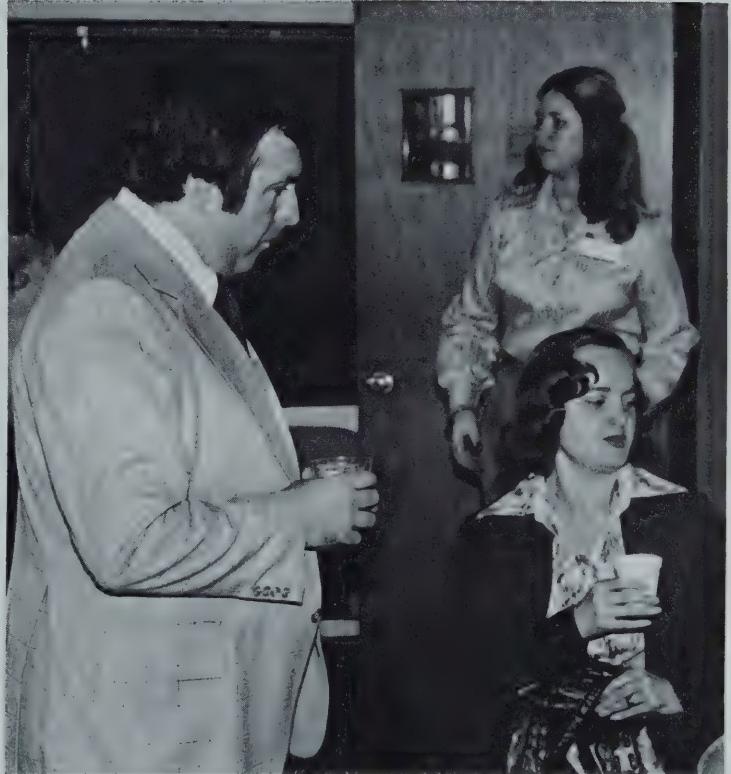

Aubade — Yearbook

Girl Scout leaders of special MR troop

Insight — Newspaper Club

A big plus of this recent Open House was the participation of the clubs on campus as seen here in some of their displays, as well as student tours to the various buildings on campus.

*Society for  
the Advancement  
of  
Management*

The Business Division and its students were chartered by the Society for the Advancement of Management (SAM). The Executive Director, Robert Dimit, presented the Club Charter to President Robert Baldrian. Club moderator, John O'Neill, and all the business faculty were present at this ceremony. George Morrison, a graduate of May 1979, was presented with a plaque in appreciation for all his efforts in organizing the club.

*Annual Dinner Dance  
Singers' Hotel*

Each year, the big social event of the college is its annual Dinner Dance. Students, alumni, faculty, administration and friends of the college gather to enjoy an evening of dancing and each other's company.

# Honors

# *Convocation*

Dominican College honors those students who have achieved academic excellence at entrance, and those who have been on the Dean's List for 1, 2, or 3 years with a Convocation in the spring semester.

This year, Dr. Mary Ann Quaranta, Professor of Social Work at Fordham University, addressed the honors students, their families and friends, after which each student was individually recognized by the presentation of tassels as follows:

white — 1 year on Dean's List

red — 2 years on Dean's List

gold — 3 years on Dean's List

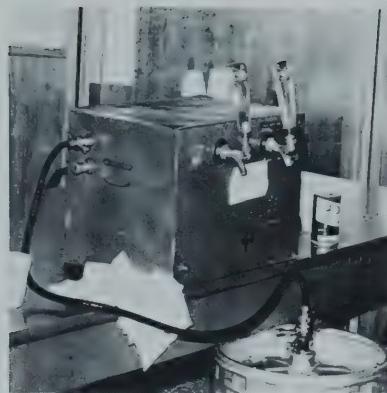

A small social follows this convocation at which personal congratulations can be extended to all.

## *Spring Dance*

What is a semester without a social event open to all students? Thus the Spring Dance where beer, food, a band, are provided and where plenty of dancing takes place.

It always seems a fitting way to end a school year, and a last opportunity for Seniors to participate in such an activity.

## Volleyball Marathon

If a cause is needed — let's choose "Raising money for the Cancer Society of Rockland County". If a way to raise this is asked for —

let's have a 25 hour Volleyball Marathon where sponsors pay students per hour to play.

Where did it happen? Right here in March and we raised over \$200 to aid in the fight against cancer.

## *Class Night*

The last week of May the Juniors honor the Seniors at Class Night which includes a Buffet Supper, a spoof on the Seniors, awards to outstanding Seniors and a bit of music supplied by Dominican's DJ Rich Plessner.

## *Sports Awards Dinner*

In May, the Men's and Women's Athletic teams are honored for their efforts by a dinner, followed by awards such as Most Valuable Player, Most Improved and Scholar Athlete.

Soccer, Volleyball and Basketball Intercollegiate teams as well as intramural teams and cheerleaders are granted awards. This year a special presentation was made to Dr. Edward J. Ferguson (see photo to the right) who looks after the athletes and also to Howard Dugan (above) who faithfully attends athletic games.

## 1979 SPORTS

1979 5

Some of the men and women who were honored at the dinner are pictured here.

John D'Amato is presented with his award by Coach Macken while Kit Maher shares her award with her friend.

Not an auctioneer was present but lots of prizes were won. Spend \$2.00 to help benefit the Special Olympics of Rockland County and purchase 20 tickets to be placed on prizes of your choice. That March afternoon brought a good crowd to the Lawrence Room and Student Government had run a successful Chinese Auction. Special thanks went to Chairperson Mary Killoran and to Bob Burbridge for his solicitation of gifts.

## *Picnic at Kruckers*

" . . . And a good time was had by all." Whether you just wanted to sit and listen to the band, take a snooze under a tree on a blanket, play volleyball or softball, catch (oops) some raw eggs, or just eat hamburgers all day, the annual picnic at Kruckers is definitely the place to do any or all of these things.

Prizes for winners of activities were awarded. Everyone ate their fill, while the sun shone gloriously for the entire day. Everyone will look forward to a repeat performance next year.

## *Todays*

*Look well to this Day  
for yesterday is but a dream,  
And tomorrow is only a vision,  
But today well-lived  
makes every yesterday  
A dream of happiness,  
And every tomorrow  
a vision of hope.*

*In Memoriam  
Robert D. Crie  
Assistant Professor of English*

There are no words to express the loss we feel at the passing of Robert D. Crie. Our feelings are best summed up in the following excerpt from his memorial service.

“We gather together today in honor of the memory of Robert D. Crie, ever so grateful to God that his life has touched ours.

We are thankful for all that he meant to us for we are better by the influencing gift of his life.”

## Welcome Picnic

When we returned to DC in September, or transferred in, or began as a Freshman, there were many people with whom we'd like to become acquainted. One way of trying to encourage this to happen is by a "Welcome Picnic" sponsored by the Student Government for the student body.

Beer, soda, hot dogs and hamburgers are shared in the field behind Casey Hall. It gives all an opportunity to meet some of those new faces we always pass in the hallways.

What is this empty room? What is SG doing? Where is the Book Store?

*Student Government  
Wine And Cheese*

How do we get people to know that there is a SG office down here and that there is also a Book Store? The answer — Student Government held a Wine and Cheese Social Open House to say "Welcome" — we are here to serve you. It appeared to be a huge success.

## *Halloween Mixer*

Where in October do you find Snow White and the Seven Dwarfs on a college campus? Why at the Halloween mixer, of course. Along with playboy bunnies, the "Bud" man, bumble bees, Little Miss Muffet and her Spider, many other gruesome characters arrived. Some just came to stare at getups and be entertained.

Why would anyone go to the Jersey Shore in November? For friendship, meditation, fellowship, and lots of fun. Just before Christmas we had a retreat reunion. Jack and Mary Brennan offered us their house for the occasion. Father Howie celebrated mass and we made him an honorary Dominican College member. It was a nice evening and gave everyone a chance to reminisce and continue the growth which had begun at the shore.

Fr. Howie was renamed Fr. Fred & made an Honorary Member of D.C.

## *Christmas*

The Christmas Season is ushered in at D.C. when, in early December, the Freshman Class decorates a tree in the foyer of Casey Hall. This year to add to the festivities S.G. hosted a social in its office and invited students as well as faculty.

*Christmas Mass  
December 20, 1979*

Just before Christmas, during exam week, Fr. Bob Ritchie celebrated Mass in the Quiet Lounge. Christmas carols added to the joy of the season, but remembrance of the hostages made for much solemnity. At the Offertory, gifts for Appalachia were collected and were brought down by Sr. Mary Eileen O'Brien.

## *Campus Ministry*

Have you noticed a new face on campus? It might be Sr. Julia, who is organizing Campus Ministry. She has organized several masses throughout the year. Sr. Julia has many exciting ideas and will be implementing them in the near future. We wish her luck in her new endeavor.

## *Christmas Dance*

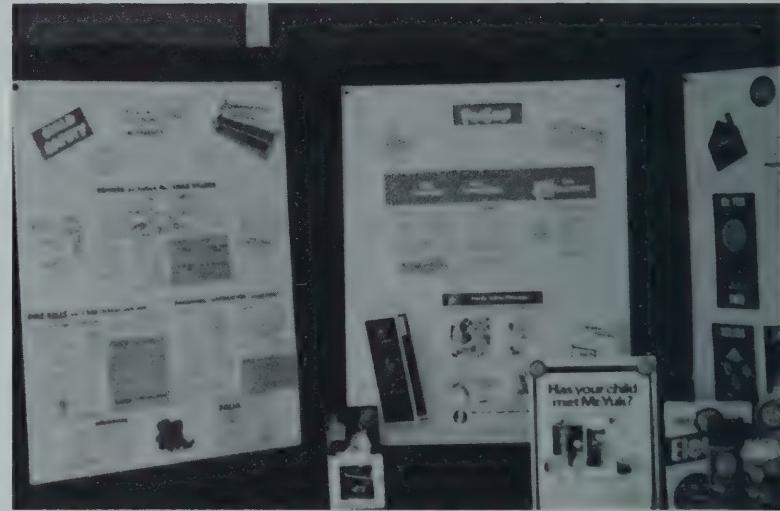

The annual Christmas Dance was held at St. Catharine's Gym with music by Boulevarde Orchestra. Santa was the hit of the evening and distributed door prizes and gifts to class moderators. A delicious dinner was served and enjoyed by all.

Mass was celebrated by Fr. Thomas Murphy in Rosary Hall Chapel on Feb. 1, 1980 at which Junior rings and Senior nursing pins were blessed and presented to the students. In the homily, Father's comments regarding the pursuit of truth were addressed to the students and their parents.

Following the Mass on Junior Day, a luncheon for those who received rings and pins was held in the Lawrence Room of Casey Hall. The Freshman class hosted this luncheon which was based on the theme, "Climb until you reach your dream."

## *Graduation — 1980*

*It is difficult to believe time has passed so quickly. Wasn't it only yesterday that the years which lay before us seemed an eternity? Graduation, May 1980, seemed a far off dream, merely a date on the calendar.*

*Our dreams for tomorrow are now the realities of today. As each year passed, so did a chapter in our lives. This should not be thought of as a time of sorrow. For all we leave behind, we take with us so much more. Years of academic and personal growth, irreplaceable memories, and special friendships which will last long after we have graduated.*

*As our years at Dominican College draw to a close, let us not think of Graduation as an ending. It is a time to reflect on the many lives that have touched us. These are the special individuals who made our long and difficult journey easier to bear.*

*Today is really the beginning, a time for celebration, so let us rejoice in our good fortune at having shared this special place in time together.*

The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity; of life, of the marvelous structure of reality. It is enough if one tries to comprehend a little of this mystery everyday. Never lose a holy curiosity.

## *Who's Who Among Colleges and Universities*

Robert Burbridge

Students who exhibit scholarship, participation and leadership in academic and extra-curricular activities, citizenship and service to the college community, promise of future success in their chosen field, are nominated by faculty and student government members. A few of these outstanding candidates are then elected to Who's Who Among College and University Students. They, along with thousands of others across the nation, have a brief biography published in the national Yearbook of Who's Who.
